

Dentalaire Products and Ultima Dental Systems to Dissolve Dentalaire UDS Merger

Fountain Valley, CA, January 10, 2011 – Dentalaire Products, Fountain Valley, CA and Ultima Dental Systems, Ft. Lauderdale, FL announced their mutual decision to dissolve the previously agreed on merger into Dentalaire UDS.

Kurt Lieber, Chief Executive and Financial Officer of the merged Dentalaire UDS, said, “Some expected benefits of the merger could not be materialized.”

Ron Anderson, President of Dentalaire Products, and Jerry Morris, President of Ultima Dental Systems felt it was in the best interest of both companies to remain independent.

About Dentalaire Products

Dentalaire was founded in 1988 in Santa Ana, CA and relocated Fountain Valley, CA in 1999. In 2001, partners Kurt Lieber of Houston, TX, and Ron Anderson of Santa Ana, CA, purchased the company.

Dentalaire meets the needs of veterinarians from Canada, USA and around the world. Its product line includes compressors, dental stations, handpieces, instruments, dental x-ray systems, restorative and endodontic products. Dentalaire also assists in continuing veterinary education by sponsoring various wet labs and educational events.
