

# Replacement Top Program

DENTAL STATIONS

# A new way to upgrade.

Enjoy the reliability of a factory-recertified Prestige Top.

At DentaLaire, we offer a [Dental Station Top Replacement Program](#) that is open to all clinics, with an existing DentaLaire Mobile Cart.

It provides clinics with the ability to purchase a factory-recertified Prestige Top and handpieces at a discounted price by trading-in your current DentaLaire Dental Station Top. By using your existing compressor and eliminating the expense of a full replacement, clinics can significantly reduce upfront costs.

## RELIABLE SOLUTION

- Ideal for dental station tops that are experiencing sudden failures, require immediate repairs, or for outdated equipment looking to upgrade.

## REDUCE UPFRONT COSTS

- Available to any clinic that currently owns a DentaLaire Dental Station<sup>®</sup>, no matter the purchase date.

## VALUE WITHOUT COMPROMISE

- Restored to original manufacture standards. Same precision, same power, readily available.

## DISCOUNTED PRICE

- Replacement cost is discounted from suggested retail with trade in.

## MAXIMIZE CLINIC EFFICIENCY

- Transition seamlessly back to dental work as soon as your new top is delivered.

## WHAT'S INCLUDED?

### Factory Recertified Prestige Top

### More Factory Recertified Items

2 - 2 liter  
Water Bottles

Handpieces

## EXCEPTIONAL SAVINGS, SUPERIOR EQUIPMENT.

Minimize your clinic's downtime and optimize your workflow with a factory-recertified Prestige Top. It has been meticulously restored to ensure seamless integration with your existing DentaLaire mobile cart.

Retail Price: \$2,500\*

Warranty Coverage

Unlimited Customer Support

**\*Price Disclaimer:** Prices listed are in USD and subject to change. For orders outside the US, please note that customs, duties, and import fees are not included and will vary by country.

## SEE HOW IT WORKS.

Upgrading your dental station has never been easier. Follow the timeline to see how the program works. Then, breeze through the trade-in process to receive your replacement Prestige top.

### Step 1

Call DentaIaire and verify that your dental station qualifies for the program. Take a quick look to see which models are eligible for the program.

DENTAL STATION II

PRESTIGE

ULTIMATE

### Step 2

Place order through your distributor.

### Step 3

Send in old dental station top, handpieces (high-speed, low-speed, scaler, air/water syringe), and water bottles to DentaIaire.

## FREQUENTLY ASKED QUESTIONS

### What is covered under manufacturer warranty?

- Workmanship
- Failure due to workmanship of the manufacturer

### Is the replacement top new?

- The Dental Station Top and handpieces have been factory recertified to like-new condition.

### What is the warranty for a replacement top?

- Replacement top, Handpieces, and Scaler: 1 year
- Turbine and Scaler Tips: 3 months

### Will the handpieces be the same as a new Prestige Dental Station?

- No, the factory-recertified handpieces will vary. You will receive a high-speed, low-speed, LED scaler, and air/water syringe.

### How do I replace my dental station top?

- If a dental station top is necessary, please contact your distributor to place an order. If you need further assistance, please call DentaIaire at (800)866-6881.

### Do I have to return the existing dental station top?

- Yes, if DentaIaire does not receive the existing dental station top, handpieces (high-speed, low-speed, scaler, air/water syringe), and water bottles, the clinic will be charged the difference in retail value for the replacement top.

### How will the replacement top be sent?

- Upon collection of payment, DentaIaire will ship per your specifications.
